Information for School Community

Dear Parents and Carers,

There continues to be regular updates regarding COVID – 19.

Our school has not had a student or staff member test positive to COVID – 19 and therefore we are following the advice of the Government and the Department of Education, and remaining open.

- As outlined yesterday, excursions, incursions and Community Hub activities have been cancelled.
- Teachers continue to remind students of the importance of good hygiene measures including the regular, thorough washing of hands.
- Social distancing guidelines are being discussed with students.
- Visual reminders are displayed around the school.

Please be assured that any information received from the Department of Education will be passed on to our families without delay. If you have any queries or concerns, please contact the school.

Yours Sincerely,

Leonie Fitzgerald
