Digital Enrolment

This year, our school is using VicStudents, an online system for new enrolments in Victorian government schools.
VicStudents is available at select schools, for students who are enrolling in a Victorian government school for the first time. This includes Foundation (Prep) enrolments for 2026.

VicStudents has been assessed by the Department of Education to a high degree of security in line with the Victorian Protective Data Security Standards and is compliant with ISO 27001, the leading international standard for information security.

2026 Foundation (Prep) enrolments

The Department of Education has released the statewide Foundation (Prep) enrolment timeline for the 2026 school year.

The timeline advises families when and how to enrol their child into Foundation (Prep) at a Victorian government primary school, including Dandenong South Primary School. The timeline also applies to online enrolment.

All government primary schools will follow the timeline in 2025 to support Foundation (Prep) enrolments for the 2026 school year.

You can find information and resources about the timeline, including factsheets and a poster at: Enrolling in Foundation (Prep).
