Principal's Report

As it draws towards the end of Term 1, I hope all of our children have enjoyed the term and we have been able to assist our families with accurate, useful information at this very unusual time.

It is important to remember that the children have been engaged in a range of really interesting learning experiences this term and have enjoyed the socialising and learning with their friends. All year levels are continuing with their learning program as usual.

Last week, for instance, our Year 5/6 students had a wonderful time at Ace High Ranch. There were many exciting activities that enabled the students to challenge themselves and build their confidence. We received very positive reports regarding the maturity and responsible behaviour of our students.

As reported previously:

Our school has not had a student or staff member test positive to COVID – 19 and therefore we are following the advice of the Government and the Department of Education, and remaining open.

Please be assured that any information received from the Department of Education will be passed on to our families without delay. Curriculum materials are available from the school for children who are remaining at home. Please contact your child's teacher or the school office if you would like further information.

If you have any queries or concerns, please contact the school.

Leonie Fitzgerald
Principal

Dear parents/caregivers,

If you have recently returned forms for your child to visit the Dentist at the school, please be advised that we have suspended the dental visits until later in the year. Your child will still be seen at that time and you will not need to send a new form in for this to happen.
